Michelle and Terri are Certified by Akashic Records International (ARI) . Through the ARI Certification program, Akashic Records Guides must complete a series of clearly defined training requirements, under the auspices of Akashic Records International (ARI) founded by Maureen St. Germain in 2009. As you will see Maureen St. Germain has influenced Michelle and Terri in profound and life-changing ways. Opening the Akashic Records for others is a sacred trust. We treat it with respect and reverence. Accessing the Records is one of the great cosmic dispensations of our age granted in order to promote our soul evolution. We love our work! We invite you to join our ranks.
